GLEXC**N**
GLOBAL EXECUTIVE CONSULTANCY

RISK MANAGEMENT

GLEXCON offers a wide range of Risk Management, Risk Assessment, Security Consultancy and Impact analysis by a dedicated and experienced team. Our team has operated in South Sudan/Sudan for over 14 years and for over 20 years in East and Central Africa. Through our associate agreements with other International companies we are able to offer up to date and accurate information to our client base.

TRACKING SOLUTIONS

GLEXCON offers a wide range of Tracking Solutions in South Sudan as the authorised agent for GINA / Teltonika Telematics. We have a dedicated team of experienced, highly qualified technicians and support staff. Through our associated agreement with GINA we offer our clients a 24/7 telephonic support service.

TRAINING PROGRAMMES

GLEXCON offers a wide range of Training services. From our Modern Self-contained Training Facility on the banks of the White Nile our internationally accredited trainers present courses either from our off the shelf programs or client specific courses that are tailor made to accommodate our client's needs.

TRANSPORT SERVICES

GLEXCON offers a wide range of transport services in South Sudan / Sudan : VIP Transport, Armoured Vehicles, Airport pick and drop, Taxi Services, Supply of Trained Drivers Armored and Normal Drivers.
